Dear Parents/Carers,

We would like to thank you for working at home with the children on the phonics resources that have been provided so far. As we have half term fast approaching, we would like to take this opportunity to send more ideas home on how you can support your child further in preparation for the Phonics Screening Assessments that will take place soon after the holiday.

These websites will provide your child with a good range of practice materials and some fun games that can be accessed on any device. The children will be familiar with some of the games that have been chosen for them, as well as the format of the practice papers.

All of the children have been working exceptionally hard in both their Read Write Inc lessons and additional phonics practice sessions and we hope they enjoy spending a little bit of time during the holiday having a look through the resources provided. Please do not hesitate to speak to your child's teacher should you require any further help or advice. We wish you all a very happy and relaxing week and would like to thank you again for your continued support.

Kindest regards,

Mrs Dearle, Mrs Brett and Mrs Todd

Learning is a journey, not a destination
