1<sup>st</sup> May 2024

Dear Parents and Carers,

### **Sea Wall Mural**

I am sure that many of you will be taking family walks down to Concorde Beach now that the weather seems to be improving. Whilst there, you may notice that our school's 'Under the Sea' themed mural is looking a bit shabby these days. Therefore, we would really like your help to update not just the paintwork, but the whole design.

Some parents and carers may remember when we re-designed our school logo. We asked our community to get creative and share their own designs to reflect how they would like the new logo to look. As a staff, we then gathered all the artwork that came in and tried to take as many elements as possible from this to create a final design. Therefore, we thought this would be another amazing opportunity to get our school community working in partnership with us by sharing some new design ideas for the mural.

With this in mind, we would like to invite as many parents, carers, children, and members of your extended families to take part in our whole school 'Design a Mural Project' with a 'Seaside' theme. If you would like to get involved, your artwork can be any medium that you wish such as drawing, collage, painting or digital media and can be either A4 size or A3 with as much colour as possible.

We will not be working on a final design until just after the May half term, so the deadline for this project will be Friday 7th June. Work can be brought in by your child(ren) in person or sent via email to the office if preferred. All entries will be put onto a display board within school for our children and visitors to see.

We hope that you are as excited as we are about this project and really look forward to seeing and sharing your ideas.

Kind Regards,

Mrs Clare Dearle (Art Lead)
