Dear Parents and Carers

As a part of your child's education at Canvey Island Infant School and Nursery, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. It is a statutory requirement that Relationships and Sex Education (RSE) is taught as part of the PSHE and/or science curriculum. The school has worked hard to develop a PSHE/RSE curriculum that we believe to be age appropriate and meets the requirements outlined in DfE statutory guidance.

I will be grateful if you would take some time to complete a questionnaire about the teaching and learning of RSE (Relationships and Sexual education) at Canvey Island Infant School and Nursery. This will help us to build a better and cohesive partnership with our parents at the school and ensure that all parents and carers are aware of the curriculum and what we teach. Please click on the link to complete the questionnaire.

Thank you for your continued support,

Mrs Todd

PHSE curriculum coordinator.

Learning is a journey, not a destination
