Dear Parents and Carers

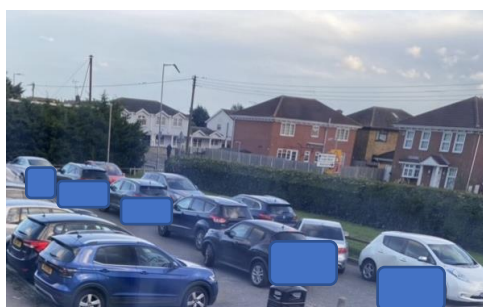

It is with regret that I find myself having to write to you regarding inconsiderate parking during school drop off and collection times.

I have had yet another complaint from a resident regarding the parking issues they are experiencing and was horrified to see the photographs they sent me.

Although the areas surrounding the school are public areas, I must urge you to park your car with consideration to the residents. I have been informed that, when challenged, some parents have been extremely rude to residents and have used foul language within earshot of children.

Whilst I have no jurisdiction over the areas surrounding the school, I am extremely disappointed to learn that the good reputation of this school is being flawed by some inconsiderate parents.

I am attaching the photographs for you to see and make up your own mind as to whether you believe this is acceptable or not. Although I have redacted the vehicle licence numbers, the resident has sent the photographs to the police and reported them for dangerous parking.

I really hope that this issue is resolved without intervention from the police as, I am sure you will agree, they have far more important issues to be dealing with.

Yours sincerely

Mrs Sandra Dorrington  
Headteacher
