

**Dear Parent/Guardian,**

**The Deanes are running Activate holiday camps for children entitled to free school meals over the summer holidays. The camps are free and each day children will participate in sporting and enrichment activities, as well as receiving lunch each day. Camps are available at 4 venues (The Deanes, Glebe Primary School, Canvey Island Infant School and Watermans Primary School)**

**You should have received an email with your Wonde code and within this email there is a link which will take you to the booking page.**

**There are also a limited number of spaces for children not on free schools and these places are available for children from 'low-income' working families, may be vulnerable and/or experience inactivity and social isolation without access to this free support. Should you feel you fit this criteria, please email [management@deanessportscentre.com](mailto:management@deanessportscentre.com) as you will not receive the Wonde code.**

**Further information can be found via this link with details on camp dates and times available here:**
