

The Coram Life Education & **SCARF** team will be visiting our school this term with their pop-up inflatable classroom – **LifeSpace**!

Part of the Coram children's charity group, Coram Life Education provides support for Health and Wellbeing Education in schools. Workshops are delivered by skilled educators and the **SCARF** resource is the framework of our PSHE (Personal, Social, Health & Economic) education curriculum.

We will be holding a **WORKSHOP FOR COMMUNITY ADULTS** (parents, carers, etc) from 8.50-9.30am on Wednesday 26th April 2023. This is a chance for you to experience and discuss some key elements of the programmes that the children will take part in during the visit. **You can just turn up but, if you can have younger children or babies looked after for the time, that is best, but don't let childcare concerns stop you coming – little ones are welcome.**

If you are not able to come to the workshop, there will be a Meet the Educator drop-in session at the end of the day from 3.00pm on Tuesday 25th April 2023. Pop in to say hello and speak to the Educator, have a look around **LifeSpace** and you might even meet Harold the Giraffe if he's not too busy with his homework! You can come to the drop-in with children, but we ask that children not come on their own during this time.

Workshops

The fun, interactive and age-appropriate workshops help children to understand the importance of physical and emotional health; they learn vital life-skills that are also known to help their overall achievement.

- Early Years and Key Stage 1: children learn about keeping their bodies healthy, managing feelings, being a good friend and the safe use of medicines.
