9th March 2023

Dear Parents and Carers

Year 1 are studying Canvey Island compared with Australia in Geography this half term. To enhance their learning, the classes will be taking a trip to Concord Beach on the 23rd of March 2023. Here, the children will take part in beach related learning about the geographical features of Canvey and compare to Australia.

All children will need to bring a packed lunch for that day, water to drink and be prepared for beach related activities, so suitable footwear and warm clothing is required.

If the weather is not reasonable on the day i.e. raining, the trip will be cancelled and the children will complete the learning in the classroom. You will be notified via text message by 8.30am if the visit **is not** going ahead. In which case, please bring your child to school as usual.

Itinerary for the morning

Please drop your children off at the Eastern Esplanade car park (between Bruno's fish bar and May Avenue) at 9.30am. There, the children will be registered before walking across to the beach. We respectfully request that parents leave promptly so the children can start their learning.

Morning snack will be provided, and the children will sit on the benches to eat their lunch. We will all then walk back to school for afternoon registration. Please collect your children from school as usual.

Thank you.

Yours sincerely

Mrs Todd and Mrs Gopee
Year 1 Class Teachers
