A big thanks to the volunteers who helped with the smooth running of the disco, we cannot run these types of events without all our lovely helpers.

THANK YOU

By you supporting our events we have purchased some hi vis jackets for the children to wear on school trips. We are also getting our playground noticeboards refurbished.

We are also looking into getting shading for the playground as well as new playground equipment. This is only the start of what we have planned for our school in the coming year. If you have any suggestions or ideas that you feel would benefit the school and our children, please email
