Friday 3rd February 2023

Dear Parents and Carers,

As you probably remember, Hadleigh Park Cycles came in to school in November 2022 to teach the Reception children how to ride a bike without stabilisers. Another part of this fully funded project, is for them to return to school to work with the children who were absent, and to continue to work with those who did not manage to complete the programme and ride without stabilisers successfully.

This will take place next week on the morning of Wednesday 8th February 2023. You **do not** need to bring any bikes or helmets to school for this event, as the children will use the ones provided from Hadleigh Park Cycles.

The children will still be required to **wear usual school uniform** on this day. Please ensure they are dressed appropriately for the weather (e.g. coats, hats, scarves and gloves) and, if girls are wearing dresses or skirts, please ensure they are wearing tights to protect their knees and legs more.

If there is time in the session, they will try and get every child out to have another little ride.

Yours sincerely,

Miss Maynard
Deputy Headteacher
