Thursday 3<sup>rd</sup> November 2022

### **Maths Week - 14<sup>th</sup> November-18<sup>th</sup> November**

Dear Parents and Carers,

Throughout the week commencing Monday 14<sup>th</sup> November, Canvey Island Infant School & Nursery will be celebrating and raising the profile of mathematics in a Maths week which is being held in line with Maths Week England 2022. The week will be filled with a range of mathematical activities for the children to participate in and complete and to build a love and enjoyment for Maths.

We will start the week with a whole school assembly and then each year group will be completing a range of different Maths activities throughout the week, including:

- Outdoor Maths trails
- Maths P.E games
- Problem solving activities
- Learning to count in another language
- Data handling activities
- Maths style 'Escape Room' game

### **Home Learning Competition**

For a Maths Week competition, we would like the children to complete one of two activities at home. The activities they can choose from are:

- Creating and making a money box
- or**
- Creating and making their own number character

The children's money box or number character will need to be in school **by Friday 18<sup>th</sup> November** and two winners for each activity, per year group, will be announced the following week.

### **Year 1 & Year 2 – Maths Quiz**

Throughout the week, the children will be working to create their own Maths quizzes and, once complete, they will share and trial their quizzes with their peers.

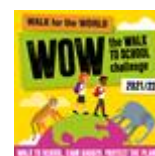

### **Parents & Carers**

We would like to invite parents and carers in for a Maths workshop. This will be to help support your understanding of how Maths is taught and learnt at Canvey Island Infant School and Nursery, including methods taught and used by the children. This will be held on **Wednesday 16<sup>th</sup> November at 2.30pm**. Please let us know if you are able or unable to attend this workshop, by completing the form on this link: <https://forms.office.com/r/iXqMQsU8i2>

*Learning is a journey, not a destination*

We're working  
towards Artsmark  
Awarded by Arts  
Council England

In addition, we would like to invite parents and carers into their child's class to enjoy some Maths activities on **Monday 21<sup>st</sup> November**. Please see times for each year group below. In Year 1 and Year 2, this will include trialling your child's Maths quiz and in Nursery and Reception, this will be an opportunity to play and explore a variety of Maths activities with the children.

**Nursery** – from 2.30pm

**Reception** – 9.15am-9.45am

**Year 1** – 2.30pm-3pm

**Year 2** – 2.30pm-3pm

**Please note, unfortunately, we will not be able to accommodate younger siblings at these events, due to lack of space in the classrooms.**

Yours sincerely,

Miss H Maynard  
Maths Subject Lead
