Dear Parents and Carers

Wraparound Care

Many parents have enquired about before and after school clubs and I wrote to you some time ago to get an idea of potential uptake.

I am very pleased to inform you that, in conjunction with Canvey Junior School, wraparound care will be available, on the school site, from September.

After a great deal of research, we have found a company that will provide this service and they are in the process of registering the provision to be in place for September. Initially, this will only be for children in Year 1 and above, as applying to provide care for children under 5 is a lengthy process. However, the provider is confident that this service will be opened up to Reception and Nursery children later in the Autumn Term.

We are very excited about this new provision and will send more details out before the end of the summer term.

Yours sincerely
