Dear Parents and Carers

Along with this letter you will have received information about our new PSHE curriculum, SCARF, which is provided by Coram Life Education, in which it mentions their live online workshops.

I am pleased to invite you to take part in a zoom workshop that is designed to help parents and carers find out more about the PSHE curriculum that is taught here in school. Coram Life Education will deliver this informative workshop and give information about the delivery of our new PHSE curriculum.

During the workshop you will meet Nancy, who will share what the children will do in their SCARF live online workshops, as well as Harold the Giraffe, who is the engaging character who helps deliver the PSHE lessons. You will find out how SCARF helps the children learn about making healthy choices to support their physical and mental wellbeing, and we hope this will help parents and carers to engage their children in talking about and using the learning in their everyday lives.

At Canvey Island Infant School and Nursery, we are looking forward to working with Nancy, Harold and the Coram Life Education Team and hope you enjoy this introductory workshop. Simply click on the link below and we'll see you there!

Topic: Canvey Island Infants - SCARF Live Online Workshop for Community Adults
