Dear Parents and Carers

I hope you had a pleasant Spring Break and enjoyed the good weather too.

As part of our drive to update the appearance of our school, Mr Moon has been very busy during the holiday, sweeping and cleaning as well as painting the little houses and picnic benches. You may also have noticed that the old playground markings have been removed and the floor of the Swann Garden has been re-sealed too.

I am very keen to make playtimes a more engaging, fun and active time for the children and would like them to be involved in the design of the playground. Therefore, I would like the children to create a picture of how they would like the playground to look. They might like to draw or paint a picture, use collage techniques or create a digital image – in fact, they can do it in any way they like! The only specification I would like to be included in designs is a seaside theme.

I hope you and your children enjoy this activity and I look forward to seeing your creations. All designs must be handed in by Tuesday 3rd May, please.

Thank you for your continued support.

Yours sincerely
