9th February 2022

Dear Parents and Carers

This half term we are learning all about the Canvey Flood. As part of our topic work, we would like to take the children to the seafront to look at the painted murals on the sea wall, that tells the story of the flood. On arrival, we will meet with Janet from the Canvey Community Archive who is very knowledgeable on this subject. She will give a guided talk about the paintings and answer any questions that the children might have about the events that occurred during that time.

We would like the children participating in this trip to be wearing school uniform, suitable outdoor shoes and appropriate outerwear in case of wet or cold weather conditions. However, if the weather is extremely wet, the trip will not go ahead.

We will be walking to the sea wall during the morning of Monday 21st February and will be back in school before lunchtime. Please note, this is the first Monday back after half term.

You have already completed a local walk permission slip for your child for this academic year, so this letter is just to make you aware of when we plan to go.

Yours sincerely

Mrs Milne, Mrs Price & Mrs Bowery

Year 2 team
