Dear Parents

Kids' Lounge – Before and After School Wraparound Care

Thank you to those who responded to show their interest in this facility if it were to open again. Unfortunately, we did not receive enough interest to fill the necessary places to make the re-opening of this facility financially viable.

This decision was made with the Governors and was not made lightly. The Governors have agreed to review the situation again next year when possibly more people may have returned to work, creating a higher demand.

We know this will be disappointing news for some, but we are sure you understand that, as a school, we have to ensure our funding is spent effectively for the education of all our children. With the lack of interest, the school would have to use a considerable amount of school funds to cover the losses created by the re-opening of this facility.

We have been working with a local childcare provider so that from September they will be picking up and dropping off at our school using a mini bus. If this would be of help to you, please contact the school office and they can provide you with the details.

Thank you for your understanding.

Yours sincerely

Mrs K Tucker
Headteacher
