7th June 2021

Dear Parents and Carers

I hope you have all had a lovely half-term break and enjoyed the good weather. It's hard to believe that we are now in the final half term before the long summer holiday and we have so much to fit it!

Although we have 'pencilled in' dates for some events, we will not be able to confirm whether these will go ahead until I hear from our Director of Education, Clare Kershaw. Although restrictions may lift for the general public, in school we are governed by Essex County Council. As soon as I hear anything I will, of course, let you know.

Although we will not be holding parent meetings this term, teachers are working on your child's end of year report, which you will receive in July. These reports will detail progress, achievements and successes made by your child this year. Please remember that the class email address is available should you have any issues you would like to discuss and class teachers are available at the end of each day too.

During this half term, the children will be spending some time with the teacher they will be with in September. Children leaving us at the end of this term will visit their new teachers at Canvey Junior School – you will have received more information about this in your welcome pack.

Arrangements for children at this school in September are as follows:

- Class 6 will go to class 3 with Mrs Dearle
- Class 5 will go to class 4 with Mrs Todd
- Class 4 will go to class 2 with Mrs Milne
- Class 3 will go to class 1 with Mrs Price and Mrs Bowery.
- Miss Maynard and Mrs Little will remain in class 6 and Miss Bright will join the Reception team in class 5.

The Nursery will also open in September and we will be welcoming Mrs Richings, Mrs Parker and Miss Davies who will be joining our staff team.

We have had a few people asking about class birthday parties for Summer Born children – these will be held on Friday 16th July. Invitations will be sent out nearer the time.

On a final note, please remember to send your child into school with sun lotion on and with a sunhat to protect them whilst they are out at playtimes. Although water is freely available in class, the outside water fountains are not in use, so please send a bottle of plain water in with your child.

Thank you for your continued support.

Yours sincerely

Mrs Sandra Dorrington
Headteacher

Learning is a journey, not a destination
