Dear Parents and Carers

I hope you are all well and continuing to enjoy the easing of COVID restrictions.

Although the next stage of the 'roadmap' comes into force on Monday, guidance for schools is very different and you will have been sent a letter from the Essex Director of Education, Clare Kershaw explaining this.

At Canvey Island Infant School, we will remain working in year group bubbles and will continue enhanced cleaning and social distancing measures for the safety and well-being of everyone.

Face coverings must still be worn at all times whilst on the school site and the staggered start and finish times will continue.

Thank you to the parents who have signed up for our new Parent Teacher Association; we are looking forward to enjoying some light refreshment with you on May 24th. If anyone else would like to join us, please email Miss Maynard via the school email address.

As the Nursery is nearing completion, we are hoping to arrange a 'Grand Opening' so if you have any connections with a local celebrity who would like the honour of 'cutting the ribbon', please let me know.

This week, we have introduced a 'Recognition Board' into each class and you may have heard your children using the term 'awesome'. We would like the children to recognise that anything is possible and that 'going the extra mile' or 'aiming for the stars' is so important for them to reach their full potential. Children who have done something awesome will be recognised during achievement assembly and will have a special meeting with me on a Friday afternoon. I am very much looking forward to hearing about the children's awesome achievements.

Have a lovely weekend and thank you for your continued support.

Yours sincerely
