Monday 10<sup>th</sup> May 2021

Dear Parents and Carers,

In September 2021, the opening of our brand new Nursery will mean that our school will change its name to 'Canvey Island Infant School & Nursery.' This change provides us with the perfect opportunity to update our school logo and we would love you, our school community to be a part of this.

We would therefore like to invite all children, parents, carers and extended family members to join us in this exciting design opportunity. Your creations can be in the form of coloured drawings, paintings, collage or digital media. The theme of the logo will be in-keeping with the school and its location, and will need to include the school's new name as shown above.

All designs can either be emailed to the school admin address, or brought in by the children in person. Please could we ask that all artwork is sent in no later than Monday 17<sup>th</sup> May so that we have plenty of time to look at all of your masterpieces. All ideas submitted will be used to help us to put together a finished article and they will be displayed in school.

We very much look forward to receiving your designs and would like to thank you in advance for your support and input in this design project. We hope you enjoy getting creative with your families.

Yours sincerely
