March Update

Dear Parents and Carers

We are so pleased to see the children back in school and interacting with their friends again. The school is so much happier with the sound of children's voices echoing around the place. Teachers report that the children are working really well and are enjoying their learning.

I would like to thank you all for following the drop-off and pick-up arrangements, which seem to be working well. Your co-operation has made this much easier to manage.

As you will have seen, the nursery building is progressing well and is due to open in September '21 for 3 and 4 year olds. There have already been enquiries from parents asking for places, so as soon as I have any further information, I will let you know. Hawkesbury pre-school is completely separate from the school and will remain open as usual.

You will have already received a letter about the Spring Term birthday parties and red nose day on the 19th March – just to remind you that the children can wear something red and the birthday children can wear party clothes. Invitations have been given to the birthday children today – they are very excited!

Many of you have kept in touch with class teachers using the class email address and this will continue. However, please note that responses may take longer than usual due to the teacher's class commitments. Should your communication be urgent, please do not hesitate to contact the school by telephone.

I am sure you will have noticed that the Swann Garden and the plant pots around the school are looking rather dull. If anyone would be willing to spare an hour or two to tidy them up and plant some summer plants, please email me at the address above. Thank you.

It is hard to believe that we are already approaching the end of the Spring Term and are beginning to plan for the Summer Term and beyond; please find attached school term dates for academic year 2021/22, for your information.

Have a lovely weekend and thank you for your continued support.

Stay safe.

Yours sincerely
