9th March 2021

Dear Parents and Carers

You may remember that each class held a birthday party for children who celebrated their birthday in the Autumn Term. These proved to be very successful and the children had a wonderful time.

This term's parties have been arranged for Friday 19th March. Children who have had, or will have, their birthday in January, February or March will be able to celebrate their special day with their class friends.

The children will have their packed lunch or school meal as usual then, during the afternoon, they will take part in some fun games and other activities to help create a party atmosphere. Each birthday child will receive a small gift too.

Although we do have some decorations, if you have any unwanted birthday banners you are willing to send into school, we will be pleased to receive them.

On party day, the 'birthday' children can come to school wearing their party clothes to make them feel really special.

Party day coincides with Red Nose day, which we always like to support. So, if you would like to donate to this worthwhile charity, please send your donation into school in a clearly marked envelope. Children can wear something red to school on this day.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Dorrington'.

Mrs Sandra Dorrington
Headteacher

Learning is a journey, not a destination
