1<sup>st</sup> February 2021

Dear Parents and Carers

It is with great excitement that we can announce that Canvey Island Infant School is growing and we are having a Nursery built. This project started back in 2018 and on-site building works are due to begin on Monday 8<sup>th</sup> February 2021. The Nursery will be situated on the grass area next to the playground which means that a section of the playground will be fenced off.

As the school is currently only open to vulnerable children and the children of critical workers the disruption will be minimal. The usual pedestrian gate leading onto the playground will still be accessible, with a path to follow around the site fencing to get to the school building.

As there will only be around half of the playground available, the current Year 1 and Year 2 bubbles will go out to play at separate times for both their morning and lunchtime breaks. The Reception bubble will continue to use the EYFS garden.

As and when the school fully reopens, we will inform you of any possible disruptions and changes to the structure of the school day, that may need to occur.

Finally, thank you for your continued support as we enter this period of growth and change for Canvey Island Infant School. Please feel free to contact the school if you have any questions.

Yours sincerely,

P.P *H Maynard*

Mrs Sandra Dorrington  
Headteacher

*Learning is a journey, not a destination*
