Dear Parents and Carers

I am writing to let you know the arrangements for children of critical workers and vulnerable children during the current Tier 4 restrictions.

The school will operate in tight year group bubbles. This means that children and staff will be isolated from everyone else in the school and will not cross bubbles at any time.

The school day will be 9am – 3.15pm.

Please wear a face covering and keep your children with you at all times whilst on the school premises.

Each Year Group will enter and exit the school via different doors:

- Year 2 via the blue children's entrance
- Year 1 via the white doors
- Reception via the hall

A member of staff will greet the children at the door and direct them to their classroom.

All children, whether at home or at school, will have access to the same learning activities – please see separate letter.

If you would like your child to have a school dinner, please order this in the usual way. However, due to limited catering staff, the meals provided may not be as advertised.

Full school uniform should be worn except on PE days when PE uniform should be worn.

- Year 2 on Thursday and Friday (please note different day)
- Year 1 on Monday and Wednesday (please note different day)
- Reception on Tuesday

If you require any further information, please do not hesitate to contact me.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Dorrington'.
