1st December 2020

Dear Parents and Carers

As you are aware, from 3rd December the national lockdown situation ends and we return to Tier 2 **High Alert** restrictions.

In school, we will continue to adhere to our Covid-19 risk assessment, that has been so successful in keeping our whole school community safe, and we ask that you continue to follow our rules too.

Here are just a few reminders for the safety and well-being of our whole school community:

- As good ventilation is so important in helping to prevent the spread of infection, the classrooms are cooler than usual. Please remember to send your child into school with an additional layer they can put on if the temperature drops, or dress them in a warm base layer, such as a t-shirt, under their school shirt.
- **One adult per family** to enter the premises to enable social distancing
- Please do not arrive before your child's year group's start time
 - Reception 9am via the driveway gate
 - Year 2 8.45am via the pedestrian gate
 - Year 1 9.00am via the pedestrian gate.
- Please remember to wear a **face covering** at all times whilst on the school premises, to help protect yourself and other people
- **Keep your children with you at all times and do not let them run ahead or around the playground**

We will continue to review our arrangements regularly in order to comply with Government guidance and I appreciate your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Mrs Dorrington'.

Mrs Sandra Dorrington
Headteacher

Learning is a journey, not a destination
