Reception 2020 Class Photo

Dear Parents and Carers,

At the start of the year, the Evening Echo run the 'New Starters' supplement. Due to issues last year of the quality of the photo in the paper, we decided not to take part in the Echo photos this year.

Before half term, we took class photos and you now have the opportunity to purchase an A4 class photo of your child's class.

You can purchase a class photo from the school office for £2 any day after school.

Yours sincerely,

Miss Maynard
