11th November 2020

Dear Parents and Carers

Here at Canvey Island Infant School we consider well-being to be very important, especially during these unusual times.

As a result of the current Covid restrictions, we are aware that many children are missing out on celebrating their birthday with their friends from school. Therefore, we would like to try and improve the situation by holding birthday parties for all the children with their class friends!

Our plan is that each class will hold a birthday party every half term, for this academic year. The first party will be on **20th November** for the children who have had or will have their birthday in September, October, November or December. Parties will be at the end of each half term after that – we will let you know the dates nearer the time.

The children will have their packed lunch or school meal as usual then, during the afternoon, they will take part in some fun games and other activities to help create a party atmosphere. Each birthday child will receive a small gift too. We would like to decorate the classes too, so if you have any unwanted birthday banners you are willing to send into school, we will be pleased to receive them.

On party day, the 'birthday' children can come to school wearing their party clothes to make them feel really special.

I am sure you will agree that this will be so exciting for the children and we look forward to every child being able to celebrate their special day in this way.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Dorrington'.

Mrs Sandra Dorrington
Headteacher

Learning is a journey, not a destination
