6<sup>th</sup> November 2020

Dear Parents and Carers

As you are aware, we are now in a national lockdown situation and strict restrictions are in place to help reduce the spread of the Covid-19 infection.

Schools have been instructed to remain open and we will continue to be vigilant in our cleaning and sanitising regimes in order to keep the whole school community safe. We will continue to work in 'bubbles' and restrict movement around the school. Staff are maintaining their social distance and, where possible, do not cross bubbles unless, there is no other alternative.

As good ventilation is so important in helping to minimise the virus, classroom doors and windows are open as much as possible. Although the heating will remain on, please send your child into school with an additional layer they can put on if the temperature drops. Alternatively, they could wear a warm base layer, such as a t-shirt, under their school shirt.

We will continue to do everything we can to keep the children, and staff, safe whilst on the premises, but it is your responsibility to maintain social distancing measures and to keep yourself safe. I must remind you that **only one adult per family** can enter the premises and please remember to wear a **face covering** at all times, whilst on the school site. **Please make sure you keep your children with you at all times and do not let them run ahead or around the playground.**

I am sure you will understand that, in order to comply with Government guidance, we need to review our arrangements regularly and I appreciate your continued support at this difficult time.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Dorrington'.

Mrs Sandra Dorrington  
Headteacher
