

Canvey Junior School

Canvey Island Infant School

16th October 2020

Dear Parents

As Essex moves into the higher category of Tier 2, both Canvey Junior School and Canvey Island Infant School have re-evaluated their risk assessments on the wearing of face coverings.

As of Monday, we are asking all adults to wear face coverings when entering the school site, this includes bringing your infant child into school, dropping off forgotten items or picking your child up during the school day.

Government Guidance on the wearing of face coverings within the primary school setting has not changed, therefore adults and children will still not be wearing them during the school day.

All staff who interact with parents and visitors e.g. on the gate, will also be required to wear a face covering. If any parent needs to talk to a member of staff at the gate during drop off or pick up times, we request that you wear a face covering then too. Any parents or visitors who need to enter the school buildings **must wear a face covering unless exempt.**

Decisions such as these are never taken lightly, however we need to take this precaution as another way of keeping our whole school community safe.

Thank you in advance for your co-operation.

Your Sincerely

Mrs K Tucker
Headteacher

Mrs S Dorrington
Headteacher
