21st July 2020

Dear Parents and Carers,

This is my last letter to you all before the summer term ends and I get into my car and drive off into the sunset to embark on the next stage in my life!

For the first time in my whole life, I will actually be able to take a holiday in term time! No crowded beaches, no busy airports! Cheap holidays!

It is a very strange feeling to be packing up my pencils and moving on, but I have many things on my 'to do' list, so I will start at number one and work my way through it!

I have been extremely touched by the number of lovely gifts that you and your children have given to me to mark my retirement. It is very kind of you to be so incredibly generous and I would like to thank you all from the bottom of my heart.

I have always placed great value on the partnership that exists between our parents and the school and I recognise the huge contribution that you, as parents, make to the education of your children. We could not achieve what we do without the wonderful support you give and the kindness you show.

It has been my pride and pleasure to have held the role of Headteacher at Canvey Island Infant School. This school, its wonderful children and its staff will be forever in my heart.

I will miss everyone, but I know that the school is in Mrs Dorrington's safe hands!

I truly wish you and your children the very best for the future.

With much love,

Learning is a journey, not a destination
