25th March 2020

Dear Parents and Carers

We are living in strange times at the moment and I hope you are managing to keep positive and healthy and staying within the Government guidelines. Nothing is working as it used to be and it feels very surreal to be in a school with so few children in it.

We are trying to make the experience one where the children are not asked to work quite as normal, but we are still giving them new learning experiences each day.

The folders we sent out on Friday should provide the children with tasks that keep their skills sharp, ways to learn online and some fun activities as well. They are designed so that the children can do one thing every day, not all at the one time.

We will continue to be open to care for the children of critical workers, but please remember the advice from HM Government i.e. ***'If your child can be safely looked after at home, then that is the place they should be.'***

Please inform the school if one of your family falls ill, so that we can take the necessary steps.

If you have any concerns or issues you would like to talk to us about, please call us. The phone line will be manned throughout the school day. (9.00am – 3.15pm)

Take care of yourselves and your family.

Best wishes,

Ann Matthews and all the staff at Canvey Island Infant School

Learning is a journey, not a destination
