ARRANGEMENTS FOR THE EASTER BREAK

Dear Parents and Carers

I hope you are all managing to stay healthy and following the Covid-19 guidelines to keep you well in this very difficult time for us all. As a school, we are doing what we can and will continue to do so for as long as it takes. The general opinion is that the current situation will continue for some considerable time, so returning to normal life would appear to be a long way off at the moment.

The school will be open for the children of critical workers right through the Easter break, except for Good Friday (10th April) and Easter Monday (13th April).

During this holiday period, we are relaxing the need for the children to wear school uniform and would suggest tracksuits, or other clothes that are more informal.

We will re-start the five full days a week provision from Monday 20th April till further notice.

We will not be setting any work for the children over the Easter break and we suggest that you look at the websites noted in the pack we sent out to all the children on our last 'normal' day in school, along with the normal 'Reading Buddy' activities.

There are other sites which your children can access, but please remember to make sure your child is safe online, by checking any site thoroughly yourself first.

Stay safe and well. Have a happy Easter!

Yours sincerely,

Ann Matthews
Headteacher

Learning is a journey, not a destination
