

*Canvey Junior School*

29<sup>th</sup> April 2026

Dear Parents and Carers,

As you are all aware, Canvey Island Infant School and Nursery and Canvey Junior School will be amalgamating and the new Primary school will open on 1<sup>st</sup> September 2026.

You will all be pleased to know that the name of the Primary has been agreed and it will be called **Canvey Primary School and Nursery**.

We now need to design the new school logo and would love your help and ideas to create this. The new design needs to be simple enough to be embroidered onto the school blazers and will feature on all communication documents as well as the new school signage.

If you have any ideas or want to design a logo along with your children, we would really welcome them.

Can we ask that all ideas are clearly labelled and handed in to either school with the following information on them:

Your name  
Your child's name  
Your child's class  
Your child's school (Infants or Juniors)

The closing date for the design is Friday 8<sup>th</sup> May 2026. This way we have time to choose a winner or winners, have the design created and begin ordering uniform, signs etc. Be as creative as you like. What represents our Island? What represents our schools? What depicts belonging and unity?

We cannot wait to see your ideas and share the finished product with you all.

In the meantime, if you have any questions, please do not hesitate to get in touch.

Kind regards

Mrs S Townsley  
Headteacher  
Canvey Junior School

Mrs G Marrion  
Interim Headteacher  
Canvey Island Infant School and Nursery
