

Canvey Junior School

12th June 2026

Dear Parents,

Please find attached the new logo for Canvey Primary School and Nursery.

We were so impressed with the designs sent into school and they all incorporated so many different elements of both school life and Canvey Island.

One of the most common themes was the outline of the map of Canvey and, in the past, both Canvey Island Infant School and Nursery and Canvey Junior School had the outline of Canvey as our school logos. Therefore, we felt adding the outline would be another positive way to join the two schools.

We did attempt to incorporate other elements from your designs, such as adding children, but they didn't look right when the size of the logo was reduced.

We hope you all like the new logo and cannot wait to continue working with you in the new Canvey Primary School and Nursery.

Kind regards,

S. Townsley
