

13th July 2026

Dear Parents

As we come to the end of yet another academic year we would like to take this opportunity to thank you for entrusting your wonderful children to us. They are a delight and we are very proud of all they have achieved.

This has been a very interesting year with all the changes that are taking place. It seems strange to think that neither Canvey Island Infant School & Nursery and Canvey Junior School will no longer exist as they have for many years. However, it is very exciting to start a new academic year as Canvey Primary School & Nursery, and this is a journey that we are all looking forward to starting.

Mrs Townsley remarked, after the reception induction meeting, that the children joining in reception will be the first time she will be watching their progress and development right the way through to starting at senior school and that thought made her slightly emotional. This comment shows just how dedicated the staff are in doing their very best for your children, however we can't do it without your support and we would like to take this opportunity to thank you, we know how much it means to the staff and we look forward to meeting and working with you all next academic year.

For those pupils who are leaving us, we wish you every success as you move on to your new schools. For those pupils joining the new school we look forward to getting to know you as you start your journey with us.

We would like to wish you all a very happy summer holiday and look forward to seeing those of you who are returning to the new school in September.

Heather Faulkner
Chair Interim Executive Board
Canvey Island Infant School and Nursery

Lorraine Breading
Chair of Governors
Canvey Junior School
