

Maths Planning w/c 11-1-21

Alive in 5! – Week 2

Day	Input	Activity
Monday 11-1-21	Watch Numberblocks Series 1, Episode 'The Whole of Me' https://www.bbc.co.uk/iplayer/episode/b08dr1l3/numberblocks-series-1-the-whole-of-me	<p>Please see 'Numberblocks – The Whole of Me' PowerPoint. Unfortunately, this is a 'Read Only' PowerPoint and so we cannot edit or add ourselves talking over the top of the PowerPoint. When you click on the PowerPoint to open it will ask for a password or to 'Read Only' – please choose the 'Read Only' option.</p> <p>This PowerPoint is used after the children have watched the episode of Numberblocks to get them to talk about what was happening in the episode to understand the Mathematical concept – part, part, whole.</p> <p>This activity will require adult support. 'Learning Together in Y1' section in the PowerPoint is optional – a further challenge.</p>
Tuesday 12-1-21	Session 1 - Video https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-2/	<p>Session 1 - Activity https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/12/PDF-Alive-in-5-Week-2-Session-1.pdf</p>

Maths - Time

In addition, we will look at measurement of time.

Day or Night? - see 'Day or Night with Video' PowerPoint attached with Miss Maynard

- Discuss with your child the things you do during the day (eat lunch, brush your hair, go to sleep etc.)
- Then discuss when you do these things (morning, afternoon or night time)

Activity - Can you draw an activity that you do at different times in a day?

Time Challenge

How many star jumps/toe touches/throwing a ball etc.. In 30 secs each day you could challenge yourself to improve your score. The whole family can join in with this activity to see who the winner is at the end of the week.
