

Reception Home Learning - W/C 5-1-21

Jack and the Beanstalk

Hello Reception,

We hope that you all had a lovely Christmas and that you are all safe and well!

We miss you all and cannot wait to see you.

This term, our topic is 'Down at the Bottom of the Garden' and for the first half term, we are focusing on 'Plants'.

Each week, we will provide daily Maths and Phonics activities as well as activities linked to a story to do with your child throughout the week. Any attachments referred to in this document will be uploaded to Tapestry.

You can put work up on Tapestry and/or send it to your child's class email address:

Class 5 - class5@canvey-inf.essex.sch.uk

Class 6 - class6@canvey-inf.essex.sch.uk

Daily Maths

For Maths in Reception, we are using the White Rose scheme of work and Numberblocks. The children are currently learning about comparisons to 5 in order to have a deep understanding of each number.

Here is the link below to access the five lessons for this week. After watching each video, there is a linked activity the children can do.

Daily Phonics

This week we are recapping Set 1 sounds. Practise recognising and saying the sounds and writing the letters correctly (use your set 1 sound books from Parents' Evening to help you with the rhymes).

We are also going to start learning Set 2 sounds. Each morning at 9:30am on the Ruth Miskin Training YouTube channel (Read Write Inc), they will upload new speed sound lessons for Set 1 and Set 2 sounds. These will only be available for 24 hours. Please watch a Set 2 and/or Set 1 sound video each day.

Christmas News

Can you write about what you did in the holidays or what you may have got for Christmas and draw a picture to go with your writing? Remember to use your sounds when writing (every child received a sound mat in their book bags following the Phonics Workshop).

PE - Home Activities

This week's home PE activity is 'Socks in Pots!' - **see attached**.

Story

Our first story is 'Jack and the Beanstalk'. You can watch a video of the story on Tapestry.

Below are a range of ideas you could do linked to 'Jack and the Beanstalk'. There are also some resources to support some of these ideas - please see other attachments. We hope these help.

- Home Learning Challenge sheet - **see attached**
- Make the characters using junk modelling and use these to retell the story (Jack, the Giant, Mum and the cow).
- Create and build a castle for the giant - you may want to use junk modelling, bricks, Duplo, Lego etc.
- Make stick puppets or masks
- Can you put the pictures of the story in the right order? - **see attached**
- After you have ordered the pictures, can you write a word or short phrase for each part of the story? Use your sounds to write independently (every child received a sound mat in their bookbags following the Phonics Workshop)
- Can you draw/paint a picture of your favourite part of 'Jack and the Beanstalk'?
- Can you record a video of you retelling the story/part of the story or talking about your favourite part of the story?

Topic

This term we will be looking at plants. Below is a link to three video lessons about growing plants.

Within these lessons, there is a planting activity which requires a pot, soil and beans or seeds and also a creative beanstalk activity, which requires an old kitchen roll tube, green paint, cotton wool and a paper plate.

<https://classroom.thenational.academy/units/growing-plants-1978>

Other Activities

- Read your books - you can also access Oxford Reading Buddy (login details on the front of your child's reading record book).
- Practise reading your High Frequency words (in the red book in your child's bookbag)
- Practise writing your name independently (work on your first name and then your surname) - remember to form your letters correctly (use your set 1 sound books from Parents' Evening to help you with the rhymes).
- Practise recognising numbers to 10 (move on to 20 when ready).
- Practise counting up to 5/10/20 objects carefully - remember to move them to count them.

Socks in pots!

What you need: 3 pairs of socks and 3 or more pots or pans

How to play:

- Place pots or pans at different distances away.
- Start behind a start line.
- Score one point for each pair of socks you throw that land in a pot or pan.
- Make this harder by labelling each pot or pan with a different number of points and seeing how many points you can score.

Play with more people by seeing who can score the most points. The first person to ten points is the winner.
