

## Reception Home Learning - W/C - 6/7/20

### 'Rainbow Fish' and Maths Home Learning Challenges - Subtract Two Single-Digit Numbers

Hello Reception,

We have now started our new topic, 'Super Seaside'. As before, each week there will be a different theme and we will give you some ideas of activities you can do linked to the theme.

You can put work up on Tapestry and/or send it to the email address: photos@canvey-inf.essex.sch.uk If you would like any photos to go on the 'Weekly Gallery' on the school website or on the school Facebook group.

This week's theme is 'Rainbow Fish'.

Below you will find a range of ideas you could do surrounding this theme. There are also some resources to support some of these ideas - please see other attachments. We hope these help.

Don't forget about Reading Buddy and watching the RWInc videos too!

Keep smiling, keep working hard and keep safe 😊

Miss Maynard and Mrs Todd

- Please remember to keep watching the RWInc videos by Ruth Miskin. These are separated in to Set 1 sounds, Set 2 sounds and Set 3 sounds. Ideally, we would like you to be watching the Set 2 or Set 3 sounds by now.

- Home Learning Challenge sheet 'Rainbow Fish' - see attached

- Can you sequence the story of the 'Rainbow Fish'? Can you write a sentence for each picture? - see attached

- Can you create your own 'Rainbow Fish'? Be as creative as you like - you could use paint, collage or colour the fish as you like.
- Can you look at the underwater photos and write a sentence about what you can see? - see attached
- Can you try the 'Will Rainbow Fish Sparkle?' Science experiment? - see attached
- Can you write a sentence about the story of the Rainbow Fish? You may want to draw a picture and write about your favourite part of the story.
- Can you read the colours and create a beautiful rainbow fish? - see attached
- Can you find, colour and count the sea creatures? - see attached

### **Maths Home Learning Challenges**

We have also uploaded a Maths Home Learning Challenge sheet this week that focuses on subtraction - 'Using Quantities and Objects They Subtract Two Single-Digit Numbers and Count Back to Find the Answer'.

You will also find a variety of sheets with links to other areas of Maths including counting, addition and subtraction.

Please have a go at these short Maths activities.
