'Sun, Sea and Beach Safety' and Maths Home Learning Challenges - Time

Hello Reception,

We have now started our new topic, 'Super Seaside'. As before, each week there will be a different theme and we will give you some ideas of activities you can do linked to the theme.

You can put work up on Tapestry and/or send it to the email address: photos@canvey-inf.essex.sch.uk If you would like any photos to go on the 'Weekly Gallery' on the school website or on the school Facebook group.

This week's theme is 'Sun, Sea and Beach Safety'.

Below you will find a range of ideas you could do surrounding this theme. There are also some resources to support some of these ideas - please see other attachments. We hope these help.

Don't forget about Reading Buddy and watching the RWInc videos too!

Keep smiling, keep working hard and keep safe 😊

Miss Maynard and Mrs Todd

- Please remember to keep watching the RWInc videos by Ruth Miskin. These are separated in to Set 1 sounds, Set 2 sounds and Set 3 sounds. Ideally, we would like you to be watching the Set 2 or Set 3 sounds by now.

- Can you look at the 'Sun, Sea and Beach Safety' picture and write about what the people are doing to keep safe? Can you think of what you should do in the water to keep safe? - see attached

- Can you create a poster for how to keep safe in the sun, by the sea and at the beach?

- Can you dress the girl or boy with the right clothing to keep them safe at the beach? - see attached

- Can you design and make/draw/paint a beach hut?

- Can you label the seaside picture? - see attached
- Can you use your cutting skills to cut out pictures and create a seaside scene? - see attached
- Can you read the tricky words and colour the object in the right colour? - see attached
- Can you design a sandcastle?
- Can you complete the sun, sea and beach safety wordsearch? - see attached

Maths Home Learning Challenges

We have also uploaded a Maths Home Learning Challenge sheet this week that focuses on 'Time' - 'Measuring Time in Simple Ways' and 'Solving Problems and Talking about Time'.

You will also find a variety of sheets with links to other areas of Maths including: counting, sharing and shapes.

Please have a go at these short Maths activities.
