OUR SCHOOL VALUES

RESPECT

- Treat others as we would like to be treated ourselves.
- Always be honest and tell the truth.
- Be considerate and thoughtful, showing kindness to others.
- Listen to others and be polite.
- Understand that we are all different and other people may have different opinions and beliefs.
- Care for and support everyone in our school community.
- Work together to do the very best we can and celebrate everyone's achievements.
- Show compassion for those whose needs are greater than ours.

RESILIENCE

- Have ambition, drive and commitment.
- Accept and learn from our mistakes and always strive to improve.
- Be creative and resourceful problem-solvers, who persevere when a problem arises and understand the consequences of giving up.
- Accept the need to compromise when others do not agree with us.
- Be curious, willing to try new things and make the most of our opportunities and challenges.
- Take part in healthy competition and accept that we cannot always win.

RESPONSIBILITY

- Follow the school rules, so that we are all happy and safe.
- Take responsibility for our own actions and behaviour; make good choices.
- Resist distractions and make good use of our learning time.
- Be enthusiastic and eager to learn; learning is a journey.
- Know what we are good at and ask for help when we need it.
- Be confident enough in our own skills and opinions to share them with others.
- Play our part in caring for our school environment.

Our School Values are underpinned by the principles of fundamental British Values.
