

Canvey Island Infant School and Nursery

RSE progression document

Year 1

Taking care of a baby.

Children will understand some of the tasks required to look after a baby, and how to meet the basic needs of a baby.

Then and now

Children will start to identify things they could do as a baby and a toddler, as well as things they can do now. They can identify the people who have helped them at those different stages.

Keeping privates, private.

Children will be able to identify parts of the body that are private and ways in which they can be kept private. They can identify people that it's ok to talk to about their private parts.
