

Grumpy Troll
Under The Bridge
Buttercup Meadow
TR8L L11

Dear Billy Goats,

How dare you trip trap over my bridge!

This is where I live and you're making an awful lot of noise. You haven't even asked if you can cross my bridge.

Why should I let you?

I am feeling rather grumpy and upset about this. The next time I see you or hear your little hooves on my bridge, I am going to jump on top of the bridge and gobble you up!

Do you understand?

Yours crossly,

The Troll
