12<sup>th</sup> January 2026

Dear Parent/Carer,

As you know, many children are accessing the digital world from an early age and it is a battle to keep up with the many programs they are accessing, making it harder to ensure they are always safe.

At Canvey Juniors we have 'The 2 Johns' coming into school on Wednesday 14<sup>th</sup> January 2026 - Keeping Children Safe in the digital world and I would like to invite all parents from across KS1 and KS2 to a parent session.

The 2 Johns are ex-policeman who now deliver sessions to students, staff and parents/carers to support keeping children safe within the digital world. These sessions are meticulously updated on a monthly basis, or even more frequently, to address the evolving risks encountered by children and parents/carers in the modern world. They consider the increased online activity of young people and their adaptation to the digital world, which remains a challenge for many parents and professionals today.

All KS2 pupils will have a session throughout the day within their year group, staff will have a session after school, **and we are offering parents in both KS1 and KS2 the opportunity to come into school on the same day (14/01/26) at 6pm for a parent session. This will be held in the Junior School hall.** I feel that this will be a beneficial event for all and would really encourage attendance as much as possible.

You do not need to let us know if you are attending, just turn up on the day. It really is an eye opener!

Kind regards

**Mrs S. Townsley  
Headteacher**
